Tips to enjoy CODE BLUE 2023 more with Eventory mobile app

CODE BLUE is using Eventory's event management platform this year. With Eventory mobile app, you can take advantage of a variety of useful features at the event. We would like to introduce you some of these useful functions. We hope you will use the app to enjoy the CODE BLUE 2023 event more efficiently!

\<QR code/venue map\>
Eventory's mobile app allows you easily display tickets (QR codes).
You can also display a map of the venue, making it easier to enter the event and search for session venues.

Tips to utilizing Eventory mobile app①: QR code, venue map

Easy display of ticket QR code.
Maps of the venue can also be easily displayed with the app!
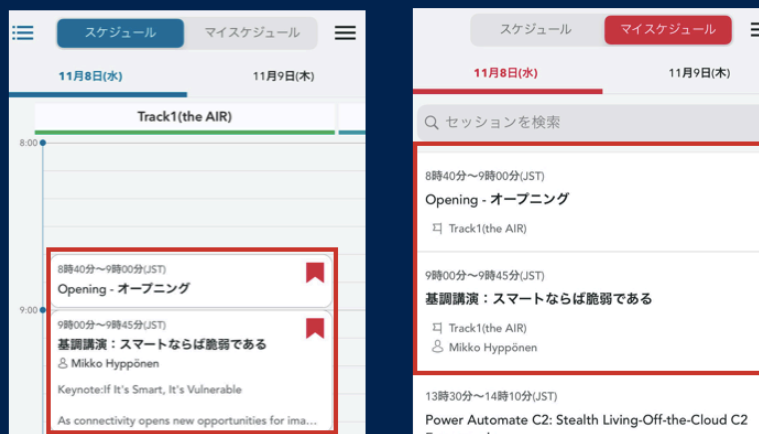

\<My Schedule\>
Using the Eventory mobile app, you can add lectures you are interested in as "My Schedule." This allows you to manage the talks being held at various

venues during the event in an easy-to-see format.

<Q&A and session rating>

From the mobile app, you can send LIVE questions to the speaker during the session. (Please note that we may not be able to answer all questions) Additionally, after the lecture, you can easily express your satisfaction with the speaker through the session rating.
